EDUCATION

Princeton University, Princeton, NJ

Ph.D. Candidate, Department of Sociology. Chair: Prof. James Raymo

Joint Degree Program in Social Policy, Princeton School of Public and International Affairs

Certificate in Demography, Office of Population Research

Certificate in Statistics and Machine Learning, Center for Statistics and Machine Learning

Princeton Fellowship in the Humanities and Social Sciences

Prize Fellowship in the Social Sciences 2024-25

University of Chicago, Chicago, IL

MA, Social Sciences

Concentration: Quantitative Methods & Social Analysis (QMSA), August 2019

Half Tuition Scholarship

Thesis Title: Revisiting the Effect of Cultural Capital on Education Outcome

Adviser: Prof. Stephen W. Raudenbush

Yonsei University, Seoul, South Korea

BA, Sociology, August 2018

Program for Teaching Profession (Secondary Education - General Social Studies)

ADDITIONAL TRAINING & CERTIFICATES

10th Annual Berkley Workshop on Formal Demography, June 3rd-7th 2024

National Teacher's License of Korea (Secondary level, Subject: Social Studies), August 2018

Chung, H-J., & Hong, G. (2025). Real-World Implications of a Methodological Dilemma: Endogenous Confounding in Causal Decomposition Analysis. In *Causal Inference*, edited by Xiao-Hua Zhou and Jinzhu Jia, 49–64. Singapore: Springer Nature. https://doi.org/10.1007/978-981-97-7812-6_5.

Hong, G., & Chung, H.-J. (2024). Assessing the Impact of the Great Recession on the Transition to Adulthood. *Sociological Methods & Research*, July, 004912412211138. <https://doi.org/10.1177/00491241221113871>.

WORKING PAPERS

Chung, H-J., & Jang, D. Skill-expectation and Achievement: Revisiting the College Major-Occupation Mismatch (under review)

Chung, H-J., & Hong G. Race-blind or Race-conscious? Sociological Implication of a Methodological Dilemma. (under review)

Chung, H-J., & Raymo, J. Concerted Cultivation and Children's Academic Performance: The Role of School Adjustment (under review)

CONFERENCE PRESENTATIONS

American Sociological Association (ASA) Annual Meeting

- *"School-to-Work Transition: The Story of Path Dependency and Agency"* (2024)
- *"A New Solution to Endogenous Confounding in Racial Disparity Decomposition"* (2023)
- *"Revisiting Cultural Capital in the School Context"* (2022)

Population Association of America (PAA) Annual Meeting

- *"Education Gradient at the Top: 4-year College Prestige and Fertility Behavior"* (2025)
- *"Mismatch at the Bottom: Education-Income Exchange in Marriages"* (2024)
- *"The Heterogeneous Great Recession Effect on Child Development"* (2023)
- *"Parenting in a 'class-homogenized Cultivation' Society: Class and Childrearing in South Korea"* (2022)

Research Committee 28 on Social Stratification and Mobility (RC28) Annual Conference

- *"Skill Signals: The Multidimensional Representation of College Majors and its Applications"* (2025)
- *"School adjustment as the mechanism of classed parenting effect on achievement: the case of south Korea"* (2025)
- *"Reducing the Racial Gap in the Horizontally Stratified Colleges: Implications for the Single Pregnancy During the Emerging Adulthood"* (2024)

Society for Research on Educational Effectiveness (SREE) Summer Conference

- *"An Equity-Oriented Approach to Causal Decomposition Analysis"* (2024)

Research On East Asian Demography and Inequality (READI) Summer Conference

- *"What They Want, What They Do: Classed Parenting in a 'Universal Concerted Cultivation' Society"* (2023)

International Conference on Sociology of Korea (I-CSK)

- *"Is it All Puppies and Rainbows?: Household Pets in the Lowest-low Fertility Context"* (2024)

RESEARCH EXPERIENCE

University of Chicago, Chicago, IL

Research Assistant, Committee on Quantitative Research Methods, September 2019 – 2024

- Conducted research on the effects of the 2008 recession on youth transitions to adulthood in the US, using National Longitudinal Survey of Youth Study'97
- Conducting follow-up research using the causal mediation analysis to investigate the effect of educational intervention to reduce the racial gap on youth transition during economic downturns

Graduate Student Researcher/Thesis Researcher, MAPSS, October 2018 – August 2019

- Examined the effect of cultural activities on educational attainment in the US; Utilized NELS:88 data to build network-based measurement and hierarchical linear model to determine the dynamics of cultural capital on student achievement
- Managed independent research project: proposal, research design, data management & collection, and analysis; Authored thesis

Causal Effect of Scholarship on Employment Status Project, March 2019

- Measured the causal effect of scholarship on low-income/minority student's employment status
- Managed and utilized panel data from Gates Millennium Scholars Program for propensity score matching analysis

TEACHING EXPERIENCE

Princeton University

Assistant Instructor, Statistical Methods in Sociology (Instructor: Tod G. Hamilton), Fall 2021, Fall 2022, Department of Sociology

Assistant Instructor, Machine Learning with Social Data: Opportunities and Challenges (Instructor: Brandon M. Stewart), Spring 2022, Department of Sociology

Assistant Instructor, Sociological Theory (Instructor: John N. Robinson III), Spring 2023, Department of Sociology

Shin-il Middle School, Seoul, Korea

Student Teacher, April 2018

- Completed one-month of supervised student teaching to receive teaching license
- Developed and implemented daily lesson plans in Social Studies based on designated curriculum
- Managed 6 different classes of 7th grade students; Handled classroom management and policy enforcement
- Created course evaluations and interactive activities; Provided student feedback daily

Hwagea Elementary School, 'Dong-Haeng' Seoul Education Program (Spring 2016)

Shin-il Middle School, 'Dong-Haeng' Seoul Education Program (Fall 2015)

Banghak Middle School, 'Dong-Haeng' Seoul Education Program (Fall 2012)

Classroom Teacher - Volunteer, (2012, 2015, and 2016)

- Instructed students in traditional classrooms and in after-school program; Created engaging classroom activities
- Met special needs of individual learners by working in group and providing additional one-on-one support

PROFESSIONALIZATION & ORGANIZATION EXPERIENCE

Research on East Asian Demography and Inequality Early Career Workshop (2024-present)

- Organized monthly research workshop for graduate students and early career academics

studying East Asia.

- Organized social & professionalization event at Population Association of America annual meeting.

Graduate Student Action Committee (Office of Population Research) (2023-2024)

- Organized professionalization sessions for graduate student; Alumni brown bags, meet-with-professors
- Organized student workshops on research and writing; Works-in-progress, Conference write-athon & practice talks
- Organized social events; departmental social hours, holiday parties, student lounge renovation

Family Demography Working Group (2022-2023)

- Co-organized workshops on family demography with Prof. Jim Rayo and Dr. Alicia Adsera
- Facilitated student presentations on research papers and works-in-progress

Residential Graduate Student (Yeh College, Princeton) (2022-present)

- Advising 30~40 1st year undergraduate students per academic year on college life and education
- Organized social and professionalization events for undergraduate; cooking classes, book clubs, senior thesis bootcamps, college festival & sport events

TECHNICAL AND LANGUAGE SKILLS

- Technical Proficiencies: R (data cleaning, coding, statistical analysis and Rmarkdown), STATA, Python (natural language processing)
- Languages: Korean (Native Speaker); Japanese (Intermediate)
